“

Our mission is to create sustainable impact through research, capacity building and grassroots interventions for an inclusive and empowered society.”

CHAIRMAN'S MESSAGE

ANNUAL REPORT 2024–25

Dear Stakeholders,

It gives me immense satisfaction to present the Annual Report of Engross Foundation for the financial year 2024–25.

This year has been one of continued commitment, resilience, and purposeful action as we strengthened our efforts towards inclusive development and community empowerment.

At Engross Foundation, our vision has always been to create sustainable and meaningful impact through research, capacity building, and grassroots interventions. Over the past year, we have successfully expanded our outreach across multiple sectors including livelihood promotion, skill development, health and hygiene awareness, psychological support, and evaluation of key government programmes. Our engagement with various ministries, institutions, and development partners reflects the trust placed in our expertise and dedication.

A significant highlight of this year has been our continued work in monitoring and evaluation studies, impact assessments, and field-based research across multiple states. These initiatives have not only contributed to evidence-based policymaking but have also strengthened the implementation of flagship government schemes at the grassroots level.

We have also placed strong emphasis on psychological counselling, disaster support, and community resilience—areas that are becoming increasingly important in today's dynamic socio-economic environment. Through trainings, workshops, and awareness programmes, we have empowered individuals, especially youth and women, to become active participants in their own development journey.

Our team remains our greatest strength. I extend my sincere appreciation to all our partners, stakeholders, field investigators, and dedicated staff members whose tireless efforts have made these achievements possible. I also express my gratitude to government departments and collaborating agencies for their continued support and confidence in our work.

As we move forward, Engross Foundation is committed to scaling up its interventions, embracing innovation, and contributing more effectively to nation-building efforts. We will continue to focus on sustainable models, community participation, and impactful research to drive positive change.

I invite all stakeholders to join us in this journey towards a more inclusive, resilient, and empowered society.

Warm regards,

Ashish Sriv

WELFARE ACTIVITIES (2024-25)

STUDENT COUNSELLING & GUIDANCE

During 2024-25, Engross Foundation conducted structured counselling and guidance sessions for students in rural and semi-urban areas, focusing on academic support, career awareness, and personal development. These sessions aimed to help students make informed decisions about their education and future opportunities while also addressing challenges related to confidence, motivation, and access to resources.

AWARENESS ON GOVERNMENT POLICIES & RURAL DEVELOPMENT PROGRAMS

Engross Foundation actively organized awareness programs to educate rural communities about key government policies and rural development initiatives. The activities were designed to improve understanding of ongoing schemes, enhance community participation, and ensure that beneficiaries are well-informed about their rights and entitlements.

AWARENESS ON GOVERNMENT WELFARE SCHEMES

In 2024-25, the Foundation carried out targeted outreach initiatives to spread awareness about various government welfare schemes. Through community meetings, field visits, and interactive sessions, efforts were made to bridge the information gap and facilitate access to benefits among eligible individuals and groups.

HEALTH & HYGIENE AWARENESS CAMPAIGNS

The Foundation implemented health and hygiene awareness campaigns focusing on sanitation, safe drinking water, and preventive healthcare practices. These initiatives aimed to improve overall community health by promoting behavioral change and encouraging the adoption of hygienic practices, especially in rural areas.

CHILD RIGHTS AWARENESS & PSYCHOLOGICAL COUNSELLING

Engross Foundation conducted programs to promote awareness of child rights and provide psychological counselling support where needed. These activities focused on creating safe environments for children, addressing emotional and behavioral concerns, and sensitizing communities about child protection and well-being.

ECO-FRIENDLY AWARENESS & SUSTAINABLE PRACTICES

As part of its commitment to sustainability, the Foundation organized awareness drives to promote eco-friendly products and environmentally responsible practices. The initiatives encouraged communities to adopt sustainable habits, reduce environmental impact, and support green alternatives in their daily lives.
